

# 2011 SkillsUSA Kansas Cabinetmaking Contest Update

The new location for this year's competition is Pittsburg State University's Wood Technology Department. The contest will be held on Friday, April 8<sup>th</sup>. The following information is sent from the chair of the contest to instructors:

- There will a morning and afternoon session. The am session contestants must check-in at 8:00 AM in room E120 at the Kansas Technology Center, 909 E Ford in Pittsburg. The pm contestants must check in at 12 noon at the same location.
- The tool list is the same as in the 2011 national contest rules and regulations. **DO NOT BRING ANY TOOLS NOT ON THAT LIST.** Each contestant must have their own tools.
- Safety requirements and equipment as listed in the national rules must be supplied for each contestant by their school.
- Lunch will be provided for all contestants and accompanying teachers.
- Projects must be picked up following the final judging. Projects not picked up on April 8<sup>th</sup> will not be stored.
