

2011 Automated Manufacturing Technology UPDATE

The following information is sent from Tylor Pearson, Contest Chair from Wichita State University.

1. Instructors may schedule practice session with the WATC instructor, Mark Meek during the period of April 19 - 21, 2011. Contact Mark Meek at 316.209.2200 or mmeek@watc.edu
2. One team per school. There will be a 5 team maximum. If after registration is completed on March 1st, there are less than 5 teams, schools will be notified to add another team.
3. CNC Machines are HAAS Vertical Machining centers
4. Control Simulator may be available for use from WATC, inquire with Terry Smith at 316.677.9458 or tsmith@watc.edu
