

2011 Quiz Bowl Update

Teams wishing to practice and prepare for the Kansas contest should thoroughly review the rules and regulations on the *2011 Technical Standards* CD and find sample questions on the following link:

Scroll down to the Quiz Bowl portion of the “Contest Descriptions.”

We will attempt to use the wireless buzzer system again this year. The teams will be oriented to the new system at the Quiz Bowl Orientation meeting on Thursday, April 28th at 4 pm in the Lecture Hall in the Student Commons Building, of the WATC NCAT/Webb Rd Campus. Teams will take the written portion of the contest at this orientation.

The state office will work to, where possible, schedule contestants in both the Quiz Bowl and the Skills competitions on Thursday to enable the contestants to participate in both. This may not be the case for every competitor.

The high school contest will begin at 6:00 PM and the College/Postsecondary contest at 7:30 PM. The uniform requirements for Quiz Bowl will be official dress or business casual (SkillsUSA polo and khaki or black slacks) or the 2011 Ks T-shirt and clean jeans.
