

2012 Collision Repair Technology

Contest UPDATE

- The contest chairs ask that “Clamps for holding welding coupons and fenders need to be supplied by the contestants.”
- Also that “Students need to bring an air hose fitted with a Milton type M end attachment.”
- Resumes are to be turned in at check-in.
- There will be a complete restriction on observers, instructors, family members and non-contestant students allowed into the contest floor. If weather permits, the shop doors may be opened for some limited observing.
- Any photos must be taken from the open doors ONLY.
- Only contest committee members and judges will be permitted onto the competition floor.

The Contest Committee Chairs may be contacted by **instructors only** at:

- Ted Ibarra, tibarra@cox.net or 316.636.6452

- Mike Davis, mike.davis.afep@statefarm.com or 316.636.6420
